State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Hawkins, Inc. (the "Company") is currently in the process of completing its review of certain accounting matters relevant to the completion of its audit and management's assessment of internal controls over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002 ("Section 404"), and requires additional time to complete such review and assessment. The Company has dedicated significant resources to the completion of its audit and its assessment of the effectiveness of the Company's internal controls over financial reporting. Although substantial progress has been made, there have been delays in completing the review and assessment, primarily as a result of the complex nature of the new requirements under Section 404.

As a result of these delays and in order to ensure the accuracy and completeness of the Company's Annual Report on Form 10-K for the year ended April 3, 2005 (the "Form 10-K"), the Company is unable to complete and file its Form 10-K by the prescribed filing deadline without unreasonable effort and expense. The Company currently anticipates filing the Form 10-K on or before the end of the extended deadline.
